
Cranwell Resort

Lenox, Massachusetts

This rejuvenating resort atop a picturesque hill in the heart of the Berkshire Mountains offers an idyllic winter getaway, with spectacular vistas of nature's splendor.

Tucked amidst the New England charm of Lenox, Massachusetts, the Tudor-style mansion that is home to Cranwell Resort greets guests with a fanfare of red, green, and gold as the holiday season unfolds. Fragrant balsam wreaths embellished with holly berries convey a warm welcome at every doorway. Inside, garlands laced with ribbon adorn mantels, while on the grand staircase, each step is accented with a festive red poinsettia.

Visitors can revel in the Yuletide ambience at the nearby Lenox Caroling Festival, a professionally judged competition sponsored by the hotel, December 7 through 9. Set in the historic village of Lenox, this annual celebration of song fills the air and main streets with heartwarming tunes that capture the spirit of the season. The winter months also find guests exploring Cranwell's many scenic trails—a wonderland for skiers and snowshoe enthusiasts. An ice-skating rink is also conveniently located on the property.

After an exhilarating day of outdoor fun and adventure, guests can indulge in a soothing massage, a detoxifying wrap, or a therapeutic bath at the hotel's luxurious spa, which features sixteen well-appointed treatment rooms, a spacious indoor pool, and a complete selection of salon services. Heated, glass-enclosed walkways keep patrons toasty warm while they enjoy breathtaking views of the landscaped wooded grounds.
